I had a look at our TEAMS schedules and there are enough resources from Red Deer, Camrose, Leduc, Cap East and Stony Plain on shift next week that should not need much overtime

We have not tapped many resources in these areas yet so, I am comfortable agreeing to 5 as noted below.

Subject: FW: Request for Sheriff Resources to Assist at Del Bonita Border Crossing
Importance: High

Sirs, below is what SHP has supplied to CP-10 and surrounding area until this Sunday. Some members have been pulled off CP-10 to assist at other check points and provide roaming patrol support at Carway and Del Bonita. DEOC is requesting addition resources to provide coverage specifically to the Del Bonita border crossing. We are fairly short on weekend coverage so I don't think it's feasible to take numbers away from Check-Point 10 to send to Del Bonita.

Friday
Days- 15 Members
Afternoons- 9 Members
Saturday
Days -6 Members
Afternoons- 8 Members
Sunday
Days-12 Members
Afternoons-3 Members.

I'm requesting 5 additional members to support DEOC. In talking with Inspector Delaney, he is currently working out a schedule starting Monday the 14th but he will not be able to fill these 5 positions based on his resource's and they will need to be pulled in from else where in the province or on overtime shifts. Requesting your approval. In speaking with Chief Sheikh this morning he did express some concern regarding the financial strain our assistance had on the branch. During the Gold meeting I expressed this concern with A/D Comm. Furgison and asked if there was any opportunity to bridge any funding. He stated he will reach out to the Chief sometime today to discuss. I will let that get sorted by the senior mgt group. I'll continue to work to provide the resources available. Please let me know if I can fill the 5 requested positions.

Thanks
